

CPRI Clinical Symposium 2025

Complex Child and Youth Mental Health:
Recent Developments, Resiliency, and Psychosocial Interventions

NOVEMBER 25, 2025 | VIRTUAL MEETING

REGISTRATION IS NOW OPEN

Join us at the biennial CPRI Clinical Symposium! This virtual event is intended for clinicians, researchers, academics, medical and allied health professionals, educators, and learners. Explore the following themes:

- **Recent Developments on Complex Child and Youth Mental Health**
- **Fostering Resiliency Through Evidence-Based Psychosocial Interventions**

For RCPSC (MOC Section 1):

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University. You may claim a maximum of 4.00 hours (credits are automatically calculated). Each participant should claim only those hours of credit that they actually spent participating in the educational program.

Reserve your spot today!

T I C K E T P R I C E S

Caregivers and
Learners:

All Day Pass - \$40 CAD

Clinicians, Researchers,
and Professionals:

All Day Pass - \$80 CAD

WITH INVITED PLENARY LECTURES FROM:

Dr. Terry Bennett

Dr. Peter Jaffe

Video-recorded speaker content will be viewable for 90-days post event!

SYMPOSIUM LEARNING OBJECTIVES:

- Interpret the concept and practical application of "evidence-based interventions," highlighting their strengths through critical appraisal
- Articulate the level of evidence supporting mental health interventions across inpatient/live-in treatment, outpatient, and classroom settings
- Inspect the balance between treatment fidelity and practical constraints, while demonstrating strategies for busy clinicians to learn new psychosocial interventions and build resilience

For more information about the symposium, visit:
