

CPRI Research Symposium 2026

Optimizing Treatments and Environments for
Complex Child and Youth Mental Health and Development

JUNE 16, 2026

HYBRID EVENT

CALL FOR ABSTRACTS

Now accepting abstract submissions for this hybrid (both virtual on Zoom and in-person at Zarfas Hall in London, Ontario) event, including:

- Oral Presentations
- Poster Presentations

Abstract topics may include research and/or clinical approaches as they relate to our two themes:

- Tailoring Dose, Duration, and Frequency for Therapeutic Interventions
- Designing Healthy and Supportive Spaces in a Technological Age

Deadline to submit: January 12, 2026
Acceptance notifications: February 2026

Complete this [Abstracts Submission Form](#)
for each submission or scan the QR code!
