PRIZES

The winning entry will receive a gift card of \$250 to a business of their choosing. Two runner-up entries will also receive gift cards of \$125 each.

SHOW OFF YOUR TALENT!

Artists can choose to have their work featured in a virtual exhibition that will be held during this year's London & Region FASD Virtual Conference on October 20 and 21, 2026.

Artists can choose to include their art for consideration for a series of printed fine art greeting cards.

The proceeds will go to VOCPRI, a not-for-profit registered charity, to support the needs of individuals living with complex mental health / developmental disabilities and their families.

The Volunteer Organization of CPRI (VOCPRI) and the London & Region FASD Virtual Conference Committee are seeking artists of all ages with living experience of neurodiversity and their families/caregivers to submit original artwork!

HOW TO SUBMIT

1 Create a drawing, painting, collage, sculpture, digital art, song, poem, or any piece of art using any medium!

2 For visual art, capture a digital image of your artwork using a scanner or take a high-resolution, well-lit photo. For spoken or musical art, you can submit an audio file of your poem or song.

3 Complete the art submission form by scanning the QR code or visiting:
