

6TH ANNUAL LONDON & REGION FASD VIRTUAL CONFERENCE 2026

BRIDGING RESEARCH, CLINICAL, AND LIVING EXPERIENCE

Supporting Relationships in FASD: Building Bridges Across the Lifespan

OCTOBER 20 & 21, 2026 | VIRTUAL MEETING

CALL FOR ABSTRACTS

SUBMISSION DEADLINE EXTENDED: FRIDAY, SEPTEMBER 4, 2026

The London & Region FASD Conference planning committee is pleased to invite abstract submissions for featured **oral and ePoster presentations** for this year's virtual event. Abstract topics may be basic, translational, or clinical research. The conference is inclusive of individuals from various personal and professional backgrounds, so we request that presentations are accessible and relevant across disciplines. Submitted presentations will be assessed for clarity, novelty, and overall significance to the FASD community.

- Select abstracts will be invited to deliver a 10-minute slide-based **oral presentation**. Trainees and junior faculty will be given priority for oral presentations.
- Abstracts selected for an **ePoster presentation** will be asked to prepare a digital ePoster and a 5-minute video presentation explaining their research.

All proceeds from the conference go to VOCPRI, a not-for-profit organization
